> YOUR BEST PARTNER TO WORK WITH !

Introduction

Sen Yeong Precision Tool Co. is a professional manufacturer of carbide tipped Router Bits and Shaper Cutters. The company was founded in 1965. Over these 34 years, we have continued growing, improving, and accumulating experiences and skills.

In the production processes, we enforce a fine quality assurance system and are accredited by ISO 9002 in 1997. Therefore, durability and stability of our products are guaranteed. We are confident of meeting your quality requests and being a supplier you can rely on.

EZCUT[®] is our new brand name. You can recognize us easily. **EZCUT**[®] reveals our insistence on quality and our energetic, creative spirit. Give us a try, we can be your best partner to work with !

S P M

Product and Quality

Varied grades of products are available.
Standard Good quality with competitive prices.
Premium Better Stability & Higher Durability.
Micrograin Micrograin carbide and better steel make products of Superior Quality.

OUR QUALITY POLICY

EXCELLENT QUALITY * FAST DELIVERY * SATISFIED CUSTOMER
